- Purchases are by current or retired directors, officers, and employees of the Adviser and any of its subsidiaries; employees of an investment subadviser to any fund described in (1) above or an affiliate of such subadviser; and such persons' families and their beneficial accounts.
- Purchases are by directors, officers, employees and, when permitted, registered representatives, of financial institutions that have a selling group agreement with the Distributor and their spouses and children under 21 years of age when purchasing for any accounts they beneficially own, or, in the case of any such financial institution, when purchasing for retirement plans for such institution's employees; provided that such purchases are otherwise permitted by such institutions.
- Purchases are by banks, broker-dealers and other financial institutions (including registered investment advisers and financial planners) that have entered into an agreement with the Distributor or one of its affiliates, purchasing Fund shares on behalf of clients participating in a fund supermarket, wrap program, asset allocation program, or other account or program in which the clients pay a fee (which may be asset-based and/or subject to a minimum flat fee) for: advisory or financial planning services, executing transactions in Participating Fund shares, or for otherwise participating in the account or program.
- Purchases are by trustees and other fiduciaries purchasing shares for retirement plans which invest in multiple fund families through broker-dealer retirement plan alliance programs that have entered into agreements with the Distributor and which are subject to certain minimum size and operational requirements. Trustees and other fiduciaries should refer to the Statement of Additional Information for further details with respect to such alliance programs.
