The Performance quoted represents past performance and does not guarantee future results. The investment return and principal value of an investment in the Fund will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance of the Fund may be lower or higher than the performance quoted. Performance data current to the most recent month end may be obtained by calling 1-800-544-6060.

As of the May 31, 2017 prospectus, amended December 22, 2017, the Fund total operating expense ratios are: Class A, 1.17%; Class L, 1.67%; Institutional Class, 0.67% The fund does not use fee waivers at this time.

Investing involves risk. Diversification does not ensure a profit or guarantee against loss.

There are no guarantees that dividend paying stocks will continue to pay dividends. Dividend paying stocks may not experience the same capital appreciation potential as non-dividend paying stocks. In addition, such a strategy does not ensure profit or guarantee against loss.

You should carefully consider the investment objectives, potential risks, management fees, and charges and expenses of the Fund before investment. The Fund's prospectus contains this and other information about the Fund, and should be read carefully before investment. You may obtain a current copy of the fund's prospectus by calling 1-800-544-6060.
