

## Individual Retirement Account (IRA) Request for Direct Rollover

**IMPORTANT:** In compliance with the USA PATRIOT Act, Federal law requires all financial institutions (including mutual funds) to obtain, verify, and record information that identifies each person who opens an account.

**WHAT THIS MEANS FOR YOU:** When you open an account, we will ask for your name, Social Security Number (SSN) or Tax Identification Number (TIN), a physical address (a Post Office box is not acceptable), date of birth, and other information that will allow us to identify you. We may also ask for additional identifying documents. The information is required for all owners, co-owners, or anyone who will be signing or transacting on behalf of a legal entity that will own the account. If any of this information is missing we will not be able to process your investment request. If we are unable to verify this information, your account may be closed and you will be subject to all applicable costs.

**IRA Direct Rollover Request Form** is used to facilitate the direct rollover of assets between a tax-qualified plan and a Traditional or Roth IRA. This form *should not* be used to facilitate a rollover or direct transfer of assets between IRAs.

To request a Direct Rollover from your employer's qualified retirement plan or 403(b) plan to an IRA, complete a New Account Agreement and this Request for Direct Rollover Form. We will establish your IRA and send a letter of acceptance to the employer or current trustee of your retirement plan to complete the direct rollover.
